RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

MS Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant hereby responds to the Notification of Defective Response mailed August 18, 2003. The Notification required that Applicant 1) pay \$130 surcharge for providing the oath or declaration later than 30 months from the priority date, and 2) provide a copy of the "Sequence Listing" in computer readable form. Applicant respectfully submits that both the surcharge and the computer readable form of the sequence listing were already provided to the Patent Office.

Attached hereto as Exhibit A is a copy of the date-stamped return postcard indicating receipt of the diskette containing the Sequence Listing in computer readable format (CRF) as required under 37 CFR 1.821(e). However, to expedite examination of this application, the Applicant respectfully submits another copy of the Sequence Listing on a Substitute Diskette along with a Statement Under 1.821(e).

With respect to the declaration that was filed on November 15, 2001, attached hereto As Exhibit B is a copy of Applicant's transmittal indicating enclosure of a check in the amount of \$130.00 for the surcharge for submitting the declaration later than 30 months from the priority date. Attached hereto as Exhibit C is a copy of the date-stamped return postcard indicating receipt of the transmittal and check. Therefore, because Applicant has already paid the surcharge, Applicant is not required to pay the \$130.00 surcharge set forth in the Notification of Defective Response.

Nonetheless, the Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 13-2855. A duplicate copy of this paper is enclosed.

Dated: September 3, 2003

Respectfully submitted,

By
